Host and women's relational health expert, Danielle Bayard Jackson

Hi, I'm Danielle!

SPEAKER/ COACH/ EDUCATOR

Five years ago, no one was seeking the support of a friendship coach. But times have changed.

I'm a former high school teacher who now uses her education background to share what the latest research has to say about women's cooperation, communication and conflict.

My advice has been featured in Oprah Magazine, The Washington Post, The New York Times, NBC News, Psychology Today and CNN. I've also appeared on CBS News and the Emmy award-winning Tamron Hall Show. It's amazing to see how people are waking up to the importance of seeking specialized support to help them in their platonic relationships.

I look forward to the opportunity to support your organization in its mission to create more connection and belonging for all those who gather among you.
